

Table of Contents

- 1 Addition: Two One-Digit Numbers, Regrouping Ones and Tens
- 2 Addition: Three Numbers, Some One-Digit, Some Two-Digit, Regrouping Ones, Tens, Hundreds
- 3 Addition: Two or Three-Digit Numbers, Regrouping Ones, Tens, Hundreds, Thousands
- 4 Subtraction: Two-Digit Numbers, Regrouping Ones and Tens
- 5 Subtraction: Three-Digit Numbers, Regrouping Ones, Tens, Hundreds
- 6 Subtraction: Four-Digit Numbers, Regrouping Ones, Tens, Hundreds, Thousands
- 7 Mix of Addition and Subtraction: Some Vertical, Some Horizontal
- 8 Word Problems: Addition and Subtraction of Whole Numbers
- 9 Multiplication: Two-Digit Number by One-Digit Number, Regrouping Ones and Tens
- 10 Multiplication: Three-Digit Number by One-Digit Number, Regrouping Ones, Tens, Hundreds
- 11 Multiplication: Two-Digit Number by Two-Digit Number, Regrouping Ones, Tens, Hundreds
- 12 Multiplication: Three-Digit Number by Two-Digit Number, Regrouping Ones, Tens, Hundreds, Thousands
- 13 Division: Two-Digit or Three-Digit Dividend, One-Digit Divisor, Two-Digit Quotient, Zero Remainder
- 14 Division: Three-Digit Dividend, Two-Digit Divisor, Two-Digit Quotient, Zero Remainder
- 15 Division: Three-Digit Dividend, Two-Digit Divisor, Non-Zero Remainder
- 16 Word Problems: Multiplication and Division of Whole Numbers
- 17 Identifying Points on a Grid by Ordered Pairs of Numbers
- 18 Addition or Subtraction: Two Fractions with Like Denominators, No Simplifying
- 19 Addition or Subtraction: Two Fractions with Unlike Denominators, Simplifying
- 20 Addition or Subtraction: Mixed Numbers, No Regrouping, Simplifying
- 21 Measurement: Finding the Length of an Object to the Nearest Whole Number of Units
- 22 Measurement: Finding the Length of an Object to a Nearest Fraction of an Inch
- 23 Conversion of Units of Measure: Using both Customary and Metric Linear Units
- 24 Addition or Subtraction of Units of Measure: Inches, Feet, and Yards, Regrouping
- 25 Word Problems Involving Addition or Subtraction of Units of Measure
- 26 Addition or Subtraction of Decimal Numbers, Regrouping, Some Exercises Vertical, Some Horizontal
- 27 Word Problems Involving Addition or Subtraction of Decimal Numbers
- 28 Perimeter of a Rectangle
- 29 Area of a Rectangle
- 30 Identifying Time to the Nearest Five Minutes from a Clock Face with Roman Numerals
- 31 Finding the Missing Number in a Number Statement
- 32 Finding the Value of x in a Number Statement
- 33 Probability: Finding Probabilities Based on a Number Spinner
- 34 Completing Sequences with Whole Numbers, Decimals, and Fractions
- 35 Rounding Whole Numbers, Decimals, and Fractions
- 36 Order of Operations with Whole Numbers
